We value diversity and inclusion and believe that everyone deserves to be treated with respect and dignity. An inclusive work environment with diverse teams delivers success to the business and customers.

This directive covers all employee life-cycle areas during the employment, including recruitment, training, development and other day-to-day interactions.

2. Target Group

The Equal Opportunities Directive applies to all employees, consultants, contractors, seconded staff, casual workers and agency staff, volunteers, interns, or any other person associated with Viaplay Group or its subsidiaries wherever located and should be used alongside other Viaplay Group policies, guidance, local legislation and Code of Conduct.

The Directive covers Viaplay Group's premises and in professional contexts outside these premises, such as business trips or work-related social functions. The ultimate responsibility for upholding the policy lies with the company's President & CEO.

These guidelines apply in all countries and will prevail, subject to local law. It is the responsibility of every employee to implement and promote these principles in their day-to-day dealings with everyone. Failure to comply with these guidelines may lead to disciplinary action.

3. Prohibited Discrimination

Please see the Viaplay Group non-discrimination and anti-harassment for definitions and information on prohibited discrimination.

4. Areas

4.1 Terms & Conditions of Employment

None of our terms and conditions of employment or related benefits differentiate between people, either directly or indirectly, on any prohibited grounds.

4.2 Recruitment

Commented [ML1]: Should be the same as the non disc/anti harassment

We assess all candidates, internal and external, who have applied for positions, based on their skills, experience, and evaluated ability to do the job. Job advertisements and publications are non-discriminatory.

Job applicants will not be disadvantaged by requirements that are not essential for the job. Where a person has a disability, appropriate consideration will be given to whether reasonable adjustments can be made.

Recruitment procedures are reviewed regularly to ensure that individuals are treated based on their relevant merits and abilities and that sufficiently diverse sectors of the community are reached.

4.3 Renumeration

We are committed to equal pay and conditions according to local markets for all employees as stated in our Compensation Directive.

Promotion decisions are made based on merit, performance and business needs alone.
